Our credit card program

Elan's turnkey credit card program removes costs, reduces risks, and improves the cardmember experience. It's more than a credit card program — it's about delivering high value products to your members and building a deeper loyalty to your credit union.

Elan funds all aspects of the card program to reduce administrative burdens. We'll work to:

- Minimize risk and reduce expenses
- Develop growth solutions
- Provide the latest technology
- Build enterprise benefits

Becoming an [Elan partner](#) allows your team to focus on what they do best — building cardmember relationships.

Credit union support

Elan provides all the tools to support the [credit card program](#). We work directly with your credit union to provide:

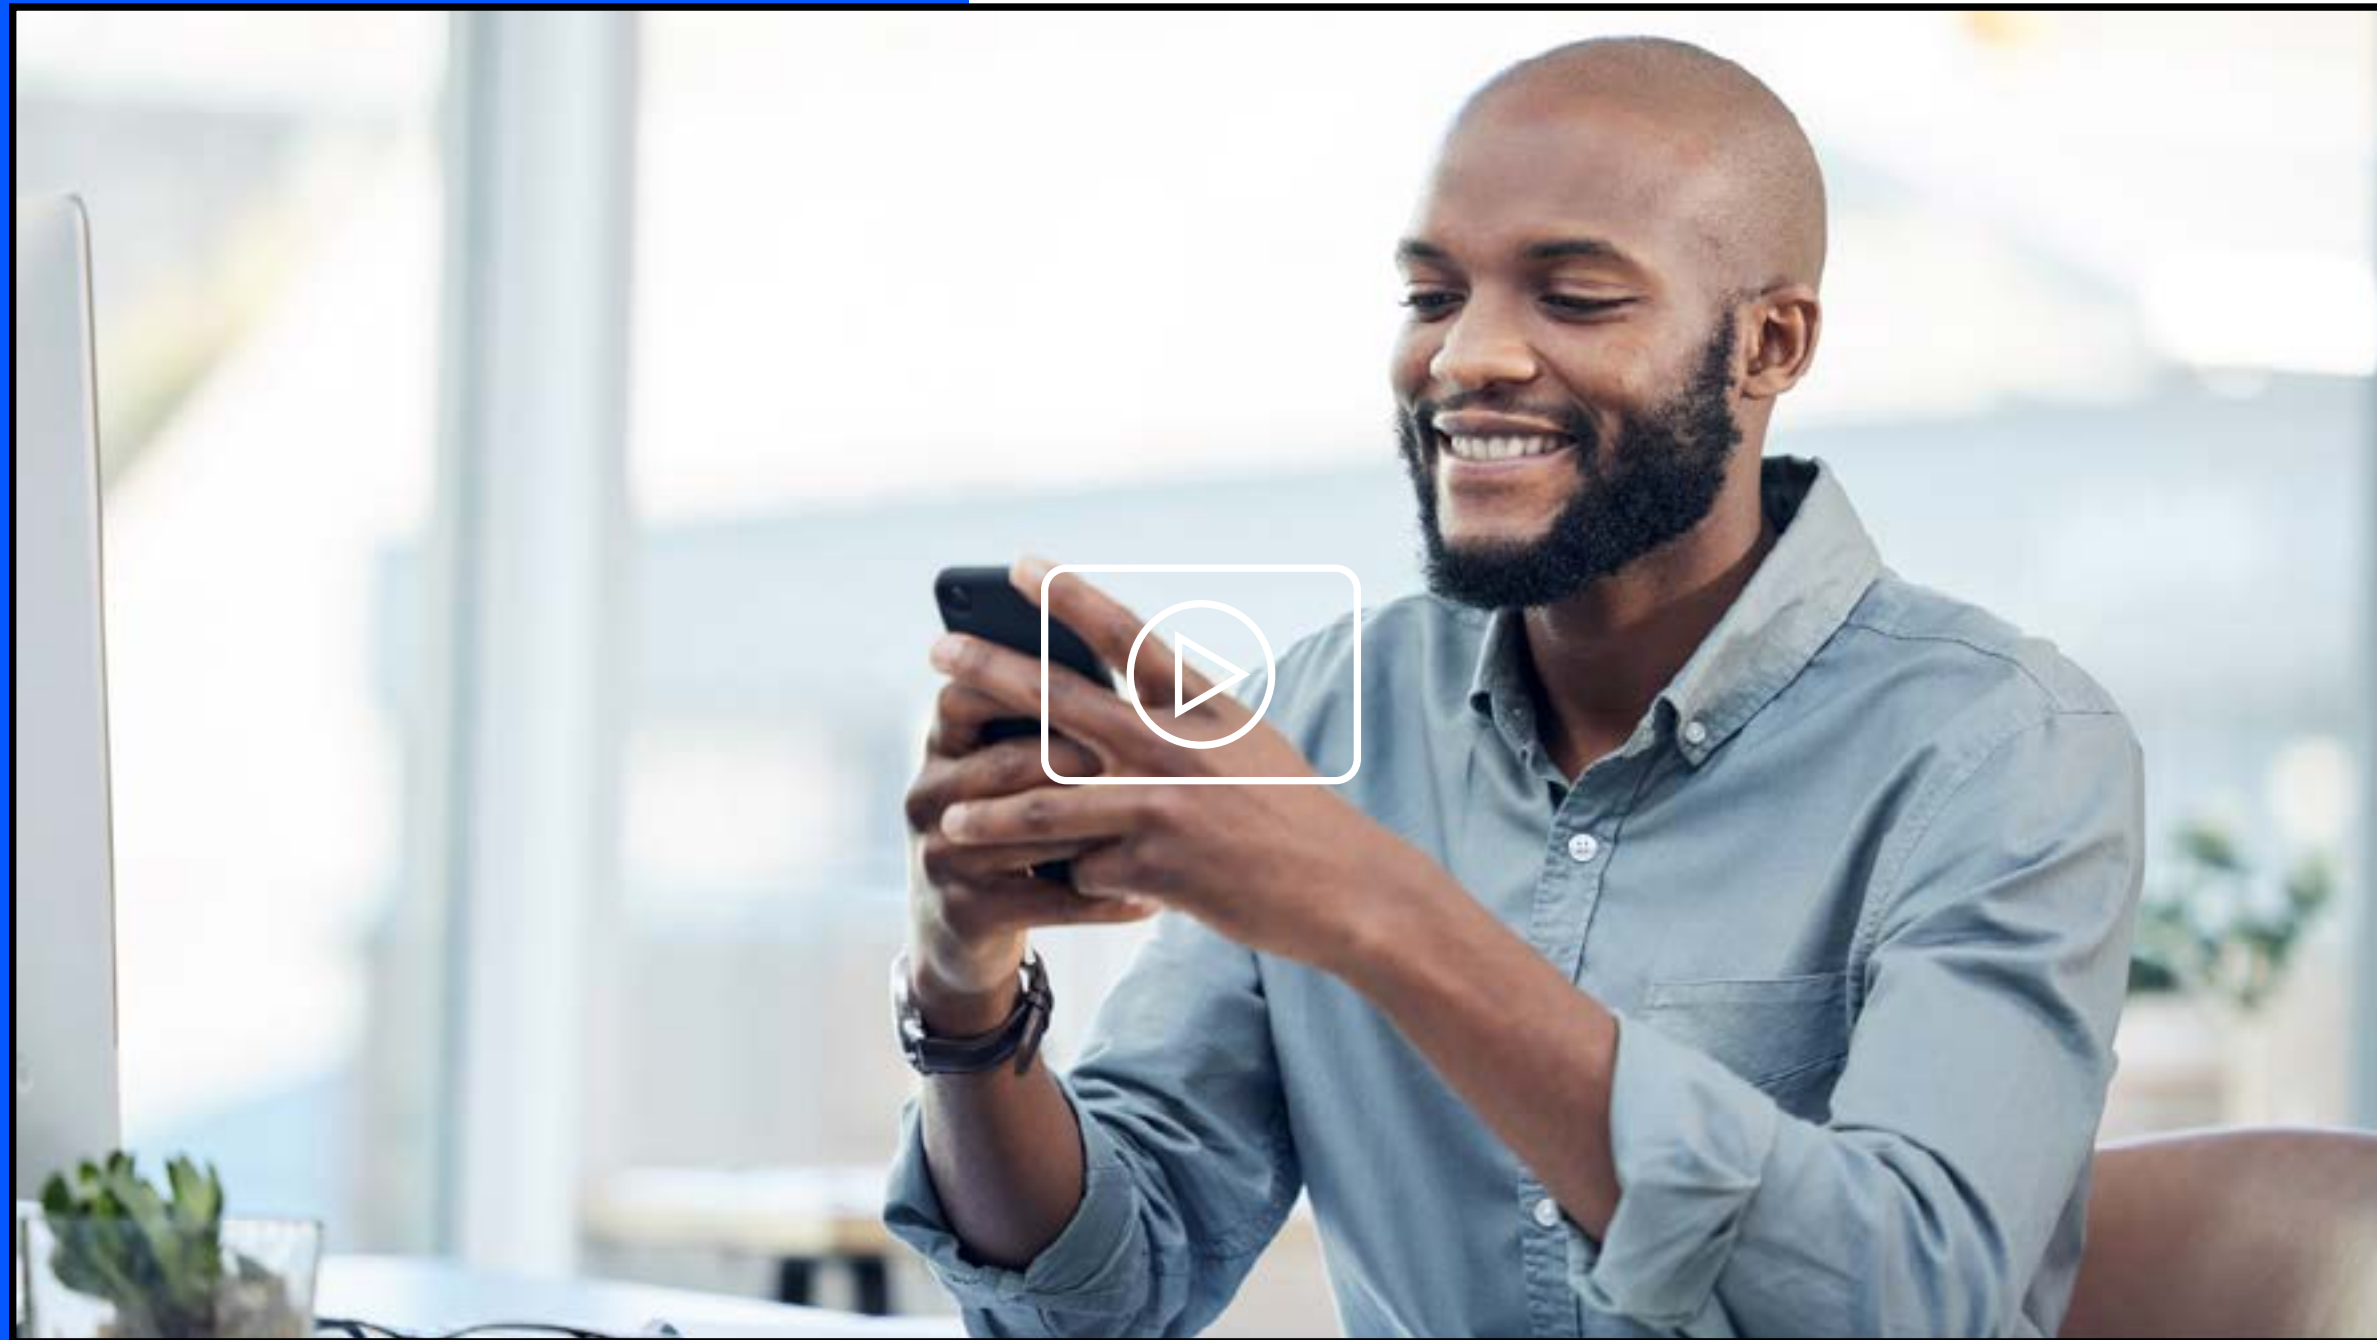

- [Enhanced digital experience and technology](#)
- [Extensive marketing and reporting](#)
- [Employee training and resources](#)
- Expanded underwriting

Product suites

Offer members across [consumer](#) and [business](#) segments competitive products with industry-leading reward options.

All cards, and every cardmember interaction, reflects your credit union's branding.

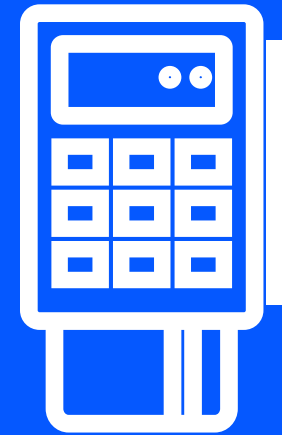

Cardmember support

Our digital-forward program starts with [text-to-apply](#) capabilities through real-time reward redemption for a [seamless user experience](#).

Cardmembers also have access to innovative payment solutions including [PazeSM](#) and Card [ExtendPay[®]](#), the Elan fixed-term payment functionality.

Cardmembers have access to customer service 24/7/365 — a team that's maintained a 95% satisfaction rate for the last five years.

Additional solutions

Merchant + POS solutions
